Substitution of C 16 114 x by C 16 114/2 x
Substitution of C 16 114/1 x by C 16 114/3 x

The Air Filter C 16 114 x and C 16 114/1 x have been revised. The change is recognizable by the omission of the nose at the end plate:

Both parts are fully compatible with the applications listed in the catalogue.
With both variants you receive the well known OE quality from MANN-FILTER.
