

MATERIAL SPECIFICATION

TEXTAR

Textar D7113

Class:

Premium / OE

Application:

Bus

Features and Benefit:

D7113 is an OE-pedigree material developed for S-Cam and Z-cam brakes for city bus and garbage truck applications. D7113 was developed for the customer looking for the optimum value in terms of cost, friction stability across all speeds and temperatures and also is proven to have extremely good drum wear rates.
