CV CLUTCH KITS

APPLICATIONS

IVECO Stralis, Trakker Euro 3/ Euro 4/Euro 5

Valeo's p/n
805457 - 827628

CV CLUTCH KIT INTERCHANGEABILITY

- **805457 / 827628 are both Valeo O.E. products** for Iveco Stralis & Trakker Euro 3 to 5 applications
- The differences of the technical characteristics of their components are very low and within the Valeo manufacturing tolerances, therefore we can consider both kits as **perfectly interchangeable for all associated Iveco applications**

Pressure Plate Cover Assy 430 DTE	805457	827628
PPCA height	80	87
Centring Diameter	475	475
Internal Diameter	238	238
Clampload	34 000 N	33 000 N

Release Bearing Dm 120 TCD	805457	827628
Bore Diameter	62.85 mm	62.85mm
Fork Dimension	85.71 mm	85.65 mm
Contact Diameter/mm	120 mm	120 mm
